

Improving Hand Hygiene

North Shore Hand Sanitisers:

- SO005NS - 70% alcohol (EN1276 & EN1500)
- SO004NS - Alcohol free (EN1276)
- Each cartridge comes complete with new nozzle to stop bacteria build up
- Compatible with North Shore soap dispenser

- Available in 3 colours; white, black & blue
- Easy to use for all ages
- Large window for at-a-glance replenishments

The UK government recommend clear hand hygiene signage in 'Working Safely During Coronavirus' guidelines.

- 3 Different boards; Sanitise, Wash & Wash & Dry
- Visual hand washing instructions to encourage hand hygiene
- Wash & dry board is compatible with North Shore paper towels. (Hand drying with paper is recommended by the NHS and WHO)
- Anti-Bac, Lotion & Eco soaps available as well as Sanitisers
