

CLARITY

Ready To Use Screen Wash

Re-Order Code: JAACO84

A ready to use screenwash, for all year round usage.
Stable in temperatures as low as -10°C.
Provides excellent clarity and streak free removal of dirt, bugs and tar.

Directions:

Simply pour directly into your car's screen-washer bottle for a smear-free, crystal clear windscreen.

Health & Safety:

Eyes: Flush with water for 15 minutes. Consult a doctor.

Skin: Wash affected area with plenty of clean water. If irritation persists, consult a doctor (show this label).

Ingestion: Do not induce vomiting. Drink small sips of water (15mls/KG body weight, up to max 200-300mls) Consult a doctor.
